

Welcome to The Lock Father, a commercial locksmith business that provides unrivalled services to Block and Estate Managers. We understand that managing properties can be complex and challenging, so we are here to help.

We are a trusted and reputable company committed to delivering exceptional service and customer satisfaction. Our highly trained and experienced locksmiths are equipped to handle all your locksmithing needs, including lock change or repairs, master key systems installation, line painting in car parks, and ensuring that all door closers in communal corridors are fully operational and conform to current fire regulations.

We understand the importance of maintaining the safety and security of your properties and their inhabitants, which is why we use only the highest quality products and equipment to ensure that our work always conforms to current legislation standards.

Our flexible scheduling options, competitive prices, and attention to detail have made us the preferred choice of many Block and Estate Managers throughout the area. We take great pride in our work and are dedicated to providing you with the professionalism and reliability you need.

Please contact us today to schedule a consultation, and let us show you why The Lock Father is the best choice for your property management needs.

## The Lock Father's Commercial Accreditations

As a professional business, we take Health and Safety legislation seriously. Our staff undertake regular training to ensure they are safe and act within the law.

We have the following accreditation and are happy to provide proof as part of any tender or contract.

## Tailored Pricing & Bespoke Solutions.

At The Lock Father, we understand that every block and estate has unique security requirements and geographical considerations. To ensure you receive the most accurate and competitive pricing for your specific needs, we provide personalised, obligation-free quotes tailored to your property portfolio.

## Additional Work

We can also undertake a variety of other work using a network of trusted partners who all share our ethic of providing quality work and excellent customer service.

This could include security 'man-guarding' provisions, electric door facilities (including PAC doors), shutters and grills, etc.

There is literally no job too big or too small. We excel in our field and have specific equipment and skills that no other locksmith in the UK can provide, which places us in an industry-leading position.

The lists outlined above in terms of locations and specific works are not exhaustive, and we are happy to discuss any other bespoke work you may require.

## Workmanship

Our workmanship (including the level of customer care and attention provided) is of the highest standards, evidenced by Google reviews, Checkatrade and Trust A Trader.

All of our work and parts are guaranteed for twelve months.

Even though Covid-19 restrictions are not in place, we still abide by government recommendations and working practices

## Question or Queries

We genuinely pride ourselves on the service we deliver and know that you will get the level of service and care you require.

So please feel free to contact us to discuss any work going forward.
