

Welcome to The Lock Father, your go-to provider for professional locksmith services for enforcement agencies. Our team comprises skilled and experienced locksmiths specialising in gaining entry quickly and efficiently.

We understand that time is of the essence for Enforcement Agencies, and that's why we've developed a unique method of entry known as the Rapid Method of Entry. This specialised technique is designed to access buildings with blocked or barricaded entrances.

Our team is equipped with the latest tools and techniques to gain entry into a building as quickly and efficiently as possible. Whether you need to remove a barricade, bypass a lock, or gain entry through a window, we have the skills and knowledge to do the job.

We pride ourselves on providing a discreet and professional service, ensuring that your agency's reputation is always maintained. The Lock Father's reputation is built on providing prompt service, the highest quality of workmanship, and exceeding clients' expectations.

Choose us for your next planned eviction, and let us help you gain entry to any building quickly and with minimum fuss. Contact us today to learn more about our services and how we can assist you.

The Lock Father's Commercial Accreditations

As a professional business, we take Health and Safety legislation seriously. Our staff undertake regular training to ensure they are safe and act within the law.

We have the following accreditation and are happy to provide proof as part of any tender or contract.

Tailored Pricing & Bespoke Solutions.

At The Lock Father, we understand that every enforcement operation has unique security requirements and geographical considerations. To ensure you receive the most accurate and competitive pricing for your specific needs, we provide personalised, obligation-free quotes tailored to your agency's operational requirements.

Additional Work

We can also undertake a variety of other work using a network of trusted partners who all share our ethic of providing quality work and excellent customer service.

This could include security 'man-guarding' provisions, electric door facilities (including PAC doors), shutters and grills, etc.

There is literally no job too big or too small. We excel in our field and have specific equipment and skills that no other locksmith in the UK can provide, which places us in an industry-leading position.

The lists outlined above in terms of locations and specific works are not exhaustive, and we are happy to discuss any other bespoke work you may require.

Workmanship

Our workmanship (including the level of customer care and attention provided) is of the highest standards, evidenced by Google reviews, Checkatrade and Trust A Trader.

All of our work and parts are guaranteed for twelve months.

Even though Covid-19 restrictions are not in place, we still abide by government recommendations and working practices

Question or Queries

We genuinely pride ourselves on the service we deliver and know that you will get the level of service and care you require.

So please feel free to contact us to discuss any work going forward.
